

Nebraska Motor Fuels Tax Notice

**THE NEBRASKA MOTOR FUELS TAX FOR
JANUARY 1 THROUGH JUNE 30, 2005
WILL BE 25.4 CENTS PER GALLON.**

EDI filers must ensure the new tax is entered into their software. The effective date is 01/01/2005, the tax is 0.254, and the products affected are gasoline, gasohol, diesel, and compressed fuel. All other taxes and commissions remain the same.

Contact your software provider if you require assistance.
